From M1 (travelling northbound).

Leave at junction 29 and follow A617 towards Chesterfield. At first roundabout (approx. 5 miles) turn right onto A61 (signed Sheffield). At second (Tesco) roundabout (a further mile approx.), go straight across. At third roundabout (less than a mile), take second left (signed for Dunston Technology Park, Newbold and Cutthorpe). Follow this road for about ½ mile, and then take the second right hand turn onto The Bridge Business Centre, eBECS is located on the right hand side.

From M1 (travelling southbound).

Leave at junction 30 and follow A619 towards Chesterfield – lots of speed cameras! At Tesco roundabout (approx. 4 to 5 miles) turn right onto A61 (signed Sheffield). At next roundabout (less than a mile) take the second exit (signed Dunston Technology Park, Newbold and Cutthorpe). Follow this road for about ½ mile, then take the second right hand turn onto The Bridge Business Centre, eBECS is located on the right hand side.

From Sheffield side of town.

From Meadowhead (Norton), take the A61 Chesterfield Road to the first roundabout and take the third exit onto the A61 Dronfield by-pass. At the next roundabout (approx. 6 miles) take the 5th exit off (signed Dunston Technology Park, Newbold and Cutthorpe) and follow this road for about a ½ mile, then take the second right hand turn onto The Bridge Business Centre, eBECS is located on the right hand side.

Rail Services.

Chesterfield has a Midland Mainline rail station which has recently undergone a major redevelopment, resulting in greatly improved passenger facilities including lift access to each platform. Parking at the station is available on a 'pay and display' basis.

From Chesterfield there is a regular service to London (approximately two hours journey time) and a frequent service to Sheffield. Direct links are also available to many other parts of the United Kingdom.

Air Services.

East Midlands Airport is a 40 minute drive south on the M1 (Junction 24). BMI British Midland offers scheduled flights to thirteen European destinations with onward world-wide connections from Brussels, Amsterdam and Frankfurt.

The nearest airport to Chesterfield is Sheffield City Airport which is located close to M1 Junction 33. Direct flights to London City, Belfast and Jersey are provided.

Major international airports at Birmingham and Manchester offer the business traveller a wider choice of scheduled flights to many European and world- wide destinations and each is just over an hour's drive away.
